

IPMS/USA Region

TO OUR VALUED GUESTS

We'd like to thank you for participating in the 2024 Region IV Contest and hope that you enjoy your time with us. We understand many of you have come from outside the Dayton area and may not be familiar with all that the local area has to offer outside of the contest. So we asked our club members for recommendations that you might enjoy during your stay, and we assembled the following list for you to explore. And, for 2024, our new venue is considerably close to many of our favorites. We recommend you look up any options of interest on the internet for locations and details, or ask a club member about them. Obviously there are many others, too many in fact, to list here but it's a start. We'd be happy to offer our insight and help you get there.

We hope you enjoy the contest and the local area!

Sincerely,

DAVE KOUKOL
IPMS/USA Region IV Contest Chair
